## SKILLS SUMMARY

- **Technical Skills:** Full Stack Developer, Data Analysis
- **Languages:** C, Python, HTML, CSS, JavaScript, TypeScript, ReactJs, NextJs
- **Certifications:** Udemy-The Complete Web Development Bootcamp
- **Tools and Framework:** Git, NodeJs, Express, Bootstrap, MongoDB, PostgreSQL,Postman, TailwindCss, Drizzle ORM, Tableau

## PROJECTS

### AI SAAS Platform | NextJs, React, TailwindCss, Drizzle, Typescript Gemini, Clerk |

- Implemented AI Content Generator and AI Mock Interview Process using Gemini API.
- **AI Content Generator:** - Utilizes Gemini API to create engaging,contextually relevant content.
  - Support various types of content creation,including blog posts,articles,social media content,hashtags etc.
  - Provides rich editor for real-time editing suggestions for grammar,style,and readability enhancements.
  - Provides responsive history and setting pages
- **AI Mock Interview :** - Simulates realistic interview scenarios across different industries and job roles.
  - Supports multiple formats, including text-based,video,and voice interviews.
  - Provides personalized interview questions based on job role and job description.
  - Includes real time feedback and ratings on responses,focusing on language,tone and content of answers.

### Real Estate | MERN |

- Implemented cutting-edge authentication methods like JWT, Firebase,and Google OAuth for secure access.
- Skilled in MongoDB, enabling seamless creation,reading,updating,and deletion of property listings.
- Adopt at enriching user experience with intuitive features like image uploads,search functionality and property listing management.

### School Management System | MERN | React,NodeJs,MongoDB,ExpressJs, Material UI |

- The System supports three user roles: Admin, Teacher, and Student with specific functionalities.
- Provides responsive admin dashboard where administrators can add new student and teachers, create classes and subjects,manage user accounts, and oversee system settings.
- Teachers can easily take attendance for their classes,mark students as present or absent,and generate attendance reports.
- Students can visualize their performance data through interactive charts and tables.

## EDUCATION

PES College of Engineering,Mandya

2022 - 2026

Information Science and Engineering, BE

CGPA : 9.05

**Courses:** Data Structures and Algorithms, Operating Systems ,OOPS,Computer Networks,DBMS.

Adichunchanagiri PU College, Kuvempu Nagar, Mysuru

2020 - 2022

XII

96.17%

St Matthias High School, Bannimantap, Mysuru

2013 -2020

X

94.56%
